

Keys AHEC Health Centers provide no cost medical and low cost dental care for the school age children of Monroe County. Through our 10 school based medical clinics, mobile dental clinic and Marathon based pediatric dental clinic, families in our community that cannot afford health insurance or large copays are able to get quality care for their children. We would not be able to provide these services without your help, and we are thankful for the support we receive from our community! There are many ways you can get involved and make a difference.

Monetary Donations

Every donation is meaningful, stays local and 100% goes to support our programs. Every dollar makes a difference in a child's life. **Join Friends of AHEC** with an individual membership just \$60 a year! Show the community that you care with a corporate/business partnership or sponsor an event!

Local Business/Group Give Back Events

Pledge a percentage of sales or take up a collection on behalf of your business, club or group and get the community involved! This could be a specific sale, a happy hour event, a dinner, a party! Make it fun! Want to help but don't know where to start? We will help to plan, organize and promote your event and bring as many of our friends (fellow supporters) as we can to participate.

Memorial and Honorary Donations

Celebrate a birthday, milestone, or a loved one's memory in a meaningful way. We can provide you with a custom, secure donation link that makes it easy for friends and family to join in your effort. We provide planned giving options for those looking to leave a lasting legacy.

Volunteer and Advocate

Do you have a talent or specific skill that you want to share? Want to make new friends and have fun while supporting a great cause? We have volunteer opportunities available and are available to speak at your event, civic group or affinity group and share more about our organization and the services we provide in our community.

Get involved today – and help us build a healthier future for the Keys!

Corporate Sponsorships - Events and Fundraisers

Keys AHEC invites local businesses to join us in making a lasting impact on children's health in Monroe County. We offer a variety of sponsorship opportunities for upcoming events, from sponsoring event activities and giveaways, donating raffle items or hosting your own fundraiser to benefit Keys AHEC.

Your support helps us provide essential medical and dental care to children in need, while showcasing your business as a committed community partner. Whether you're looking to boost your visibility, engage your employees, or simply give back, there's a sponsorship option that's perfect for you.

Get involved today – and help us build a healthier future for the Keys!
